***Networking for Justice &
Community Service***

MUUSJN is a state-wide
network of people, including
representatives of Michigan UU
congregations and fellowships,
who work together for justice.

The network is sustained by a
grant from the UU Service
Committee and by contributions
from individuals, congregations
and other organizations.

FEATURED SPEAKERS

How to Affect Change in the Michigan Legislature

Rebekah Warren

State Representative, since 2006.
Rep. Warren chairs the Great Lakes & Environment committee. Her legislative priorities: protecting and preserving our natural resources; expanding health care coverage, investing in education; defending and advancing civil rights and liberties, strengthening our economy and creating jobs.

***Climate Change:
Consequences & Solutions
(Great Lakes to Global)***

Kathryn Savoie, PhD

Ecologist, Activist, & Educator
Dr. Savoie is one of a small group of presenters personally trained by Al Gore. She will be speaking about climate change, its impact on Michigan and the Great Lakes and its solutions.
